Council Action

(Continued from page 1)

currer when Blount wanted to know what interest Jahn had in the dispensing of gas by Vegas Airways to its owned and operated planes.

Jahn said that the City lease to Vegas allowed them to dispense fuel to their own planes, exclusively that he had no interest whatever.

Jahn Owns Plane

It is widely known that Jahn does own a plane which is hangered at the airport. However, the management of the Vegas Airways have indicated that the Company's records are open to anyone to prove that Jahn does not in any way have an interest in the operating of the firm.

Jahn averred that it was his opinion that the original clause in the lease granted to Vegas by the City, which permits the dispensing of gas to their planes, was originally the result of a motion made by Blount long before Jahn was a member of the Council. He said that the Council minutes would have to be checked to substantiate this statement.

Meanwhile, apparently all eyes will be focused on Councilman Willys Blount tomorrow night, in what promises to be another session filled with action.

Judge Armstrong

(Continued from page 1)

nicipal Judges Otto Willet, and John Schidler."

NEW COURT IN OLD BUILDING

Judge Armstrong's new court will be in the old City Hall at Cravens and El Prado. This will be the temporary quarters for the Court until the County builds a new Court House in the new Torrance Civic Center.

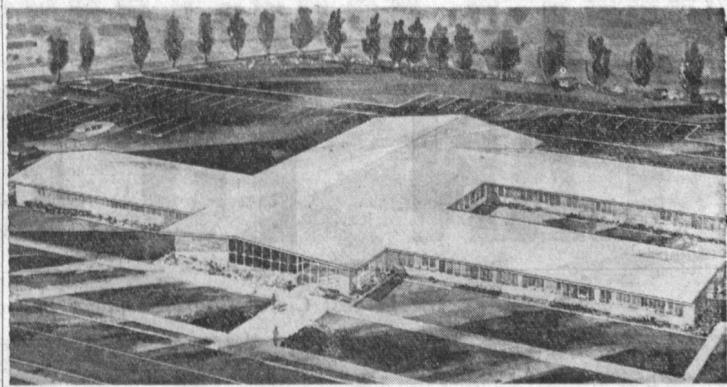

Before practicing in Torrance, Armstrong worked in Los Angeles where he at one time was Assistant U.S. Attorney. He has long been associated with numerous civic and social activities.

OFFICE TO LAST UNTIL 1960

Armstrong's term of office will last until 1960 when he must run in a general election if he wishes to retain the \$17,500 a-year position. The term of Municipal Judge runs for 6 years.

Governor Goodwin Knight made the appointment on the 16th of August.

ARCHITECT DAVIES PICKED TO DESIGN THE NEW BAY-HARBOR OSTEOPATHIC HOSPITAL

Election of Glenn Moore, Redondo Beach insurance man to the board of directors of the Bay-Harbor Osteopathic Hospital and selection of Hugh Davies, Long Beach architect as designer of the proposed 50-bed, \$900,000 hospital were announced yesterday by Glenn A. Wymore, president of the Harbor Osteopathic Hospital Inc.

25 Man Board

Moore's election filled the 25 man board of the proposed new Bay-Harbor facility, which now includes representatives from Gardena, Redondo Beach, Manhattan Beach, Hermosa Beach, Palos Verdes Estates, Torrance, Lomita and Harbor City, Wilmington, Rolling Hills and San Pedro.

Davis Well Recommended

Davies, designer of the Long Beach Osteopathic Hospital, was recommended by a special architectural committee composed of Herbert Davis of San Pedro, chairman; R. E. Shoner of Palos Verdes Estates; Dr. Donald Cortum of Redondo Beach; Dr. Chesley R. Houske of Torrance, and Dr. Robert M. Patterson of Lomita and Harbor City. He was approved as the hospital architect by the board of directors. More than a dozen architects in Southern California were interviewed by the committee.

Preliminary plans and engineering work on the new Bay-Harbor Osteopathic Hospital will be rushed during the coming week as Davies is scheduled to present data before State Department of Public Health officials in Los Angeles Sept. 18.

Selection of a site for the hospital is expected within the next few weeks. Tentative locations in Lomita and Harbor City are being studied as the area is the geographic center of the area to be served, according to Wymore.

Increased Water

(Continued from page 1)

resulting from the curtailment of pumping, which was affected under the program during the first year of operation (1955-56), leveled off during this past year as pumping continued at the same rate. Ground water levels remained below sea level throughout the service area, resulting in a continuation of salt-water intrusion.

Watermaster service is provided to the basin by the Department of Water Resources under terms of an agreement among practically all of the major water users which was made an order of the Los Angeles County Superior Court in 1955.

San Francisco Hosts Officials

(Continued from page 1)

Willys Blount, Nickolas Drale, Robert Jahn, City Manager George Stevens, Assistant City Manager Don Mansfield, City Attorney Stanley Remelmeier, Public Works Director John Russell, City Engineer Bishop, Planning Director George Powell, Fire Chief Jay Bennett, Police Chief Percy Bennett, Finance Director Scharfman, and Recreation Director Von Bellehem.

Headquarters of the Conference will be The Sheraton Palace and the St. Francis Hotels.

Health Officer and his field inspectors. The Health Department is urging all residents who have not yet made arrangements for October 1 collection service to do so at once. Names and phone numbers of local collectors may be obtained from any of the 14 Health Centers scattered throughout the County. The Torrance Health Center is located at 2300 Carson st., FA. 8-3310.

Students enroll

(Continued from page 1)

a half-day schedule.

Dr. Hamilton said that the problem will be licked when the South and West High Schools are ready for enrollment. The double sessions began in 1950 when there was not enough classroom space for students. However, since then, two high schools have been built and 16 elementary schools were also constructed, in an attempt to solve the problem. But, Torrance's increased growth has been rapid and school building is just now getting caught up with the demand.

Ryan Welcome

(Continued from page 1)

construction are complete and ready to be submitted to the City. As yet, there are no plans for the area to the east of the present location. During ceremonies tomorrow at the Y.W.C.A. building, the company's public relations manager, William P. Brotherton, will be the featured speaker and will show a 15 minute film on the new "Firebee."

Civil Defense

(Continued from page 1)

local governments to build defense readiness and capabilities to provide protection for the population.

During this second annual Civil Defense Week, everyone should re-evaluate his participation in Civil Defense. Of necessity, Civil Defense must be a cooperative program, because no one individual can adequately protect himself and family without the assistance of his neighbors and local agencies. Therefore, community Civil Defense preparation can be only as strong and as effective as the participating individuals make it.

Community Protection
Civil Defense officials realize that a great many people cannot be actively engaged in Civil Defense volunteer work. However, those people who can, should contact their local Civil Defense office and find out what they can do to further community protection; those who, for various reasons cannot be active, should make every effort to learn the basic principles to care for themselves!

Incorporation Meeting Set For Sept. 17

Lomita Property Owners and Registered Voters will hold a meeting on September 17 at 8 p.m. in the Little Theater, which is in the old Narbonne school building, 254th and Walnut st., Lomita.

The meeting will be devoted to questions and answers concerning the possibility of incorporation. The public is invited.

Blind Adults May Register

All blind adults wishing to attend free fall and winter classes at Braille Institute of America are asked to register in the Recreation and Education department, 741 N. Vermont ave., Los Angeles, between September 15-20.

The semester's course of study will include Braille, music, public speaking, white cane, longhand, games, typing, ceramics, weaving, knitting, leatherwork, rug making, sculpture and many other subjects. All services at the Institute are free to the blind. Costs are derived from philanthropic gifts, memberships of the sighted and bequests in wills.

Leo N. Shaw In Germany

Army Sgt. Leo N. Shaw, son of Mr. and Mrs. Leo Shaw, Lomita, recently participated in a field training exercise with the 11th Airborne Division in Germany.

Sergeant Shaw entered the Army in January, 1955, and received basic training at Fort Leonard Wood, Mo. He is assigned to the division's 396th Transportation company. He attended Narbonne High school.
